### **Solar do Sec: XVII in the Historic Center of Santarém**

Old Medieval Palace Built on Arab Ruins and Changed Over the Centuries, It has Written Records since the 14th century. The Current Façade and the Entrance Portico date back to the 17th century.

Old Solar dos Sousa Coutinho is constituted by a Building with 334 m2 of Implantation and 668 m2 of Construction.

Outside a backyard with 276 m2, a terrace with 52 m2 and a patio with 197m2. Currently with terrace.

Particularly Impressive the 4-Meter High Entrance Portico Protects the Courtyard that extends to the Façade.

Its Representative and Expressive Character in the Busiest Street in the Historic Center of Santarém Offers the possibility of a Remarkable Real Estate Project.
